I. Announcements –

Agreement has been made to move the General Education status requests to UOCC rather than ICGER. UOCC postponed voting on it until the other two members were present.

II. Discussion

Amalia reported on:

PD 101 – Needs clarification in the description to indicate what “our” culture refers to. Overall, it isn’t clear what changes the department is asking for. The course description needs some editing.

PD 360 – Anthropology and Archeology need to be notified of the course. It’s being proposed as a new course but it is an existing one which has never been taught. Would like more information regarding guest lecturers. Multicultural status denied by UOCC.

PD 390 - Amalia and Christian will meet with Kirsten Muenchinger to discuss the PD courses.

Christian reported on:

CHN 150 - No SEI was included in proposal. No mention in syllabus of it being taught in English. Title too long.

Chuck reported on:

ANTH 346 – UOCC had suggested that this course be proposed as a 200-level course. The department agreed and made the changes. The course number will now be ANTH 260. Approved by UOCC.

Frances reported on:

PEF 325 – The course should be proposed as a new course and this one dropped. Approved by UOCC.

PEF 344 – This course will replace PEF 325 and will be 2 credits. Approved by UOCC.

PEMA 116 – Approved by UOCC.

PEO 401, 402, 403 – Courses need some clarification. The courses also need new numbers. Mike suggested 411, 412, and 413.

CHN Courses - There was discussion on the request to add WR 121 as a prerequisite to the CHN course requests. There may be some unintended consequences of adding the prerequisite to 100-level courses by restricting some students from taking it early who would normally take WR 121 later. Mike will let the department know about the committee’s concerns.
