I. Announcements

No announcements.
II. Discussion

**Andrew Walstrom recapped** that **HPHY 105** should be effective summer term.

**Jack Boss** reported on:

- CHEM 420/520 — Approved by UOCC
- CHEM 421/521 — Approved by UOCC with the condition that the information regarding the differential stated in the prospectus be included in the syllabus. There needs to be more information about the graduate student project. The committee felt it was important that the syllabus shows a clearer view of what is expected from graduate students.

**CHEM 348** and **CHEM 349**: UOCC suggests that the titles of these courses be changed. It was suggested that they be changed to Organic Chemistry Lab for Majors. There was also discussion about not being able to earn credit for both and the committee felt it should be noted somewhere.

**Andrew Walstrom** reported on:

- KRN 309 — There was discussion regarding which level this course should be offered at. UOCC felt it fit more appropriately as a level 200 course. They also had concerns that it may not be approved as a general education course by ICGER if presented at the 300 level. The committee is prepared to approve it as a level 200 course. Andrew will communicate the concerns to the department.

**Ashley Anderson** reported on:

- MUS 227 — Approved by UOCC
- MUS 415/515 — Approved by UOCC
- MUS 424/524 — Approved by UOCC

**Paul Engelking** reported on:

- CDS 411 — withdrawn by department
- CDS 431 — withdrawn by department
- CDS 459 — withdrawn by department
- CDS 457/557 — withdrawn by department
- CDS 444/544 — It was pointed out that the syllabus contains some outdated terminology regarding disability. For the most current information, departments should check with the UO Accessible Education Center at [http://aec.uoregon.edu/](http://aec.uoregon.edu/) Course approved by UOCC.
- CDS 461/561 — Approved by UOCC.
- CDS 462/562 — Approved by UOCC.
- CDS 470/570 — Approved by UOCC.
√ CDS 630 - Approved by UOCC.
√ CDS 652 - Approved by UOCC.
√ CDS 654 - Approved by UOCC.
√ CDS 662 - Approved by UOCC.

CDS courses – Since it was reported by the department that none of the courses submitted are actually repeatable, the “R” will be removed from the credit.

√ EDLD 460/560 – Suggested editing to title and description. Title will be Measurement & Assessment. Everything after “Sequence” will be deleted. Approved by UOCC.

√ EDLD 609 – Needs new number because 609 is reserved for Practicum courses. There was no short course description submitted with this request so the department will be asked to provide one. - Approved by UOCC.

√ EDLD 663 – Suggested editing to title and description. Title will be Measurement in Research. Everything after “Sequence” will be deleted. Approved by UOCC. Change prereq: EDLD 560. Approved by UOCC.

√ EDLD 664 - Suggested editing to title and description. Title will be Online Learning Assessment. Everything after “Sequence” will be deleted. Approved by UOCC. Change prereq: EDLD 560. Approved by UOCC.

EDLD 656 – There was some concern that this course may overlap with CIS. Mia Tuan had also voiced some concerns at the 1/18 meeting regarding reading assignments and lengths of article. Paul will ask for additional information.
