√ PS 612 – UOCC approved.

Jack Boss reported on the following courses:

√ ARH 210 – UOCC approved.
AAD 300 – There were a number of questions regarding this course and Jack will go back to the department for additional information including the need of an engagement inventory, listing the number of pages assigned per reading, and the title is too long. There was also discussion about the restriction to majors when course has a group course status. Also questions about request of multi-cultural status and that the course content seemed light for a level 300 course.
AAD 315 – Need more information regarding student engagement and listing number of pages assigned per reading on the syllabus. Syllabus also needs current terminology for standard information.
AAD 422/522 - Syllabus needs current terminology for standard information. There is some concern with the engagement inventory and differential. It was requested that Jack check to see if there is any overlap with Folklore and PPPM. Mike Jefferis reported that the number is already in use. He suggested 421 or 423.

Ashley Anderson reported on the following courses:

MUS 443/553 – Need additional information on the differential. Mike Jefferis reported the course will need a different number.
MUS 444/544 – Need additional information on the differential. Mike Jefferis reported the course will need a different number.
MUS 450/550 – Need additional information on the differential.

Mike Jefferis reported on the following courses:

ARB 401/501 – Needs different number
EDST 230 – Needs different number
