Report of the Distinguished Service Awards and Honorary Degrees Committee: 2012-2013

In the term of 2012, the DSA/Honorary Degrees Committee invited all members of the University Faculty and Staff to consider nominating individuals consideration for either the Distinguished Service Award or for an Honorary Degree. Although there were several inquiries from recipients of the invitation to nominate, no nominations were submitted. Therefore, the DSA/Honorary Degree Committee did not meet in 2012-2013.
