MEMO RE: Final Committee report of the FGAC
MEMO DATE: 1 June 2011

The Chair of each University Committee is tasked under Senate Legislation with making a final report concerning the activities of that committee to the Senate in the spring of every Academic year. The FGAC (Faculty Grievance Appeal Committee) operates under the provisions of OAR 571-003. The FGAC dealt with one case this year. Since personnel matters are of their very nature confidential and sensitive, it would be inappropriate for me to furnish further details beyond noting that a formal hearing was held concerning this case.
