

Tenure Reduction, Retirement, and Emeriti Committee's 2012 – 2013 Senate Report

Submitted by Christopher Prosser on behalf of Jim Mooney & John Nicols, Co-Chairs,
Tenure Reduction, Retirement, and Emeriti Committee

Dear Senate President Margie Paris,

The Tenure Reduction, Retirement, and Emeriti Committee did not meet during the 2012 – 2013 academic year and have nothing to report.

Comments from John Nicols regarding health care discrepancies:

“I do know that there are some health care discrepancies to be considered in the TRP program, namely the gap in coverage for the summer months. The current system, where one has to go to COBRA or another program and loses thereby all the accumulated credits toward deductions is punitive for the 'beneficiary' and time consuming for the UO to manage.”
